

NEWS RELEASE

TIRE DISPOSAL: The City of St. Marys was recently asked by the Elk County Solid Waste Authority to inform residents that they can transport tires to Advanced Disposals Landfill, on the Toby Road, any time of the year at no charge. The tires must be from passenger cars or light trucks; no heavy equipment tires and tires must be off of the rim. They also must be from a residential location; no business tires. Residents must contact the Elk County Solid Waste Authority's office at 814-776-5373 to secure the proper paperwork prior to taking tires to the landfill, regardless of the amount.
